

HB 5915

Dear Senator Gerratana and Representative Ritter and members of the Public Health Committee,

I am writing to you in support of the House Bill, HB5915.

I am a certified Homeopath (CCH). I attended a 4 year training in Classical Homeopathy over 30 years ago. I have studied the Masters such as Hahneman, Herring, Boeninghausen and Kent as well as taken many courses with current day Masters such as Sherr, Sankaran and Vithoulkas.

I have treated myself and my family and friends using homeopathic medicines throughout these years. I find it to be a safe and effective healing modality and would love to practice professionally.

It would mean a great deal to me to be able to offer my services in my home state, and the current law restricts me from so doing.

Sincerely,

Jacqueline Bordonaro, CCH
